## Rice Market Report

**Italy:** This week the market is very tight concerning the round grain and the tendency to augmentations is confirmed.....

Officially CENTAURO paddy is still at €400.-/MT. However the reality is very different, the farmers are not selling at that price. They even refuse to sell at € 420.-/MT..... They hope to get € 450.-/MT.

The SELENIO has reached € 420 – 430.-/MT. Some rice mills which absolutely have to cover them self to be able to honour their contacts have already offered € 450.-/MT. The businesses have not been concluded yet, therefore official price remains at €420–430.-MT.

Regarding the SUPERFINI the market is calming down and even drops a little.

Despite crazy paddy price, stock is decreasing and we begin to think that there will be not enough until the new crop.....

Broken are hard to find.....
