Rice Market Report

Italy: For the last two weeks the paddy prices on the Vercelli market list are all NOMINAL, except for the long B for which LIMITED EXCHANGES have been recorded. In general, the market is rather calm, and it will probably remain so until the 10th of January when the Vercelli market resumes.

Many of the rice mills will be closed or drastically reduce their activity during the next two weeks.

OWG - Tapex Sàrl wish all of you a Merry Christmas and a Happy New Year.
