Rice Market Report

Italy: Market prices have finally fallen a little since last week with a decrease of €50/mt on paddy Selenio (€700/mt) and Baldo (€850/mt) and €100/mt on Carnaroli.

This week it is the paddy Round Omega, Sole and Terra as well as some Long A which decreased by €50/tm. It seems like a good time to cover up with round grain rice and/or long A rice.

An important thing to note on the Baldo if last week C&F Mersin prices were offered between €1550/mt - €1560/mt, this week it already seems that this is no longer possible and the price level is €1620/mt - €1640/mt, although officially the price of paddy is still at €850/mt, there are very few goods to be found to buy at this price on the market. The same applies to the Barone.
