Rice Market Report

Italy: Unfortunately this week prices have continued to climb ... The INDICA paddy was paid €350/MT and paddy ROUND €380/MT and paddy SELENIO €400/MT. As in recent weeks, despite these increases farmer have no desire to sale....They are already trying to get €400/MT for the paddy ROUND

All mills are wondering when these price increases will stop because it is not easy to sell at these levels.

It is also expected that the under-products will finally as well follow the increase.
