Rice Market Report

Italy: Varieties SUPERFINI (Carnaroli, Arborio) are no longer available from farmers; the sales which are made are actually resales between mills.

The situation for round grain is a bit complicated officially the price is €450-470/MT but at €450/MT nobody sells it. Farmers want to get at least €500/MT as there is virtually no availability anymore, however for the rice mills this price it's too expensive.

Regarding Indica paddy if someone searches small quantities like a truck for example it can be found at the €340/MT. But when someone looks for a little more quantity he must pay €350/MT
