Rice Market Report

Italy: Paddy's varieties SUPERFINI (Carnaroli, Arborio) increase again this week. They reached the price of € 900/MT. Otherwise nothing has changed since last week.

No one believes in a decrease in paddy prices for ROUND. In the best case prices remain at these levels and in the worst they increase. The longs A are fairly easy to obtain and they are the only ones to have a downward trend. Markets remain very calm and there are few transactions.

The by-products are difficult to find and are highly sought in Italy.
