Rice Market Report

Italy: Framers are not willing to sale paddy Round grain at the price of €300/MT, they are asking for €320/MT this week. The price has not yet been officially changed, but since it has been impossible for different rice mills to find paddy at €300/MT, the reality is what it is, so we already put the price of € 320/MT in our report. Officially the Baldo / Roma / Augusto / Loto paddy are no longer quoted.

We still do not have official data on the new crop. Nevertheless, since there is few Indica and Round grain paddy available to date, there may not be enough to reach the new crop, which for the moment has approx. 20-25 days delay. If this is indeed the case, the new crop prices could also start quite high.

The by-products prices have increased slightly the week, they are still extremely difficult to find
