Rice Market Report

Italy: Unfortunately nothing changes, the situation is dire. Farmers are still refusing to sell round grain varieties and indica.... Prices for these rice are nominal. The general opinion is that there will be no price reductions before Christmas and by then, prices tend to rise.

Rice mills try not to buy, some buyers do not even go to the markets, because it is not worth the trouble. However within 15 days some will be forced to buy to respect and provide contracts which have been made.

Unfortunately there is not much to do or say, we just have to wait and see.
