Rice Market Report

Italy: Yesterday at Vercelli's market, the Round grain paddy Sole was sold at € 400/MT with a yield of 55, if the batches which are more beautiful it is necessary to spend €420/MT (for milled rice it is necessary to count €700/MT) . For Centauro paddy even at €450/MT the farms refused to sell it. The paddy Selenio has risen to €450/MT. So we can say that the market is tense for round rice.

The situation is quite tense on the Indica paddy too, a big market player has proposed yesterday €330/MT for paddy Indica, but again they refused to sell. They hope to get €350/MT.

Next week the decision on the reintroduction on the import tax will be taken. We will see how this will impact the market.

The by-product market remains unchanged as well.

We take this opportunity to present our best wishes for this New Year !
