Rice Market Report

Italy: There is a bit of tension on the round rice paddy this week. An increase has been reported for Balilla, Centauro and Selenio + € 20/mt. It seems, however, that some farmers are already asking for € 550/mt for the Selenio paddy and that even at this price not everyone is ready to sell it. There was also an increase of €10/mt on long A rice's paddy.

The by-product situation remains complicated, there is still a significant lack. The official prices remain unchanged but given the strong internal demand, it is extremely easy to sell mezzagrana-corpetto at the price of € 520 / mt.

We do not have any news about the new crop yet, all that can be said is that so far everything is going well.
