

## Rice Market Report

**Italy:** On Friday, at Mortara's market, someone bought paddy Sole at €500/mt. At the Vercelli's market yesterday, the price officially went up from €450/mt to €500/mt.

The Selenio paddy also increased by €50/mt to reach €600/mt. A rice mill has already offered €630/mt to try to buy some ...

The Loto and Augusto also increased by €50/mt => €500/mt.

The Baldo increases by €30/mt this week => €430/mt.

Despite these very high prices, farmers do not sell or sell very small quantity of paddy. There is always someone who offers more money to be able to have some and therefore the prices keep rising. It seems that the only way to stabilize the market a bit is for the rice mills to stop trying to buy paddy at all costs. Of course, that's easier said than done.

By-products increased by €5/mt this week, except for parboiled rejects which increased by €65/mt! Broken white rice is so hard to find that some customers buy white rice asking to leave all the broken inside.
