Rice Market Report

Italy: Paddy's varieties SUPERFINI (Carnaroli, Arborio) become extremely hard to found. Rice mills that need these products are looking for them to other rice mills as it seems that farmers don't have them anymore.

The rice mills are offering €330/MT for Indica paddy but for now farmers do not accept this price. However, the price trend is downward rather than upward.

The by-products are difficult to find and are highly sought.
