Rice Market Report

Italy: Unfortunately the situation of paddy round grain is getting worse. Farmers are still refusing to sell or small quantity.....

A small improvement is noted on Arborio and Carnaroli, which were a bit over evaluated in recent weeks and now prices have slightly decreased. Paddy Baldo is at the same price of round (€ 400/MT), which should eventually happen as they have planted 200% more, against 8% more for Round

The Organic paddy are increasing €900-950/MT. Huge paddy quantities are imported in Italy from Romania, which allows some rice mills make an average price between the two origins. But that is not the case for all the Italian rice mills, those ones are not able to be competitive.
