## Rice Market Report

**Italy:** The ROUND grain paddy has become the hit of the week, everybody is looking for it but almost no one is finding.....€420/430 MT for the generic varieties (CENTAURO, BALILLA), and € 450/MT for SELENIO are nominal prices!

There remains 30% ROUND GRAIN PADDY and we are only end of March, at that time farmers are busy in the fields with the new harvest and it is certainly not now that they will decide to sell.

The rice mills' needs will automatically cause further increases.....

The lull in SUPERFINI prices is confirmed, there is no real buying interest from the rice mills. The BALDO / ROMA / S. ANDREA suffer the same fate.

The farmers demand for AUGUSTO paddy is € 450.-/MT, however rice mills do not even pay €430.-/TM because finding some LONG A varieties (LUNA etc.) at €400/MT, they consider that the price difference is not justified.

The Indica paddy €350/MT is not highly sought after.

### 1. Paddy's situation

Products	Prices in € - VAT 4% included		Tendency Prix	Yield p. 100 kg.
	min.	per MT max.
