Rice Market Report

Italy: At the Vercelli market on Tuesday, the round paddy Terra is officially listed at the price of €600/mt (reduction of €50/mt), €705/mt for the Selenio (reduction of €25/mt). The Centauro remains at €700/mt because there is always a buyer at this price. As for Sole, the price is still €650/mt but nominal.

A reduction of €50/mt is also noted on Ribe-type paddy.

It will still be necessary to see if these reductions will be real or if it is only an attempt, given the lack of exchange, to make paddy a little more attractive and that the second the rice mills start to have interest, prices will go up.

For others, no change.

The prices of by-products are stable.
