

Rice Market Report

Italy: Market always difficult. Since last week, although this is not reported in the official lists, farmers refuse to sell the Indica paddy below €320/MT. They prefer to get €320/MT with a long-term payment, 6-7 months, than to sell it at €300/MT with a payment at 30 or 60 days and this even for a small quantity. It's hard to know which price level the Indica paddy could reach, especially if the import tax is reintroduced, all rice millers think that farmers take the opportunity to increase the price of paddy...

The situation does not improve for the round paddy... yesterday someone paid Centauro paddy at €380/MT.

Paddy Sole is still at €350/MT but the quality is not there. The paddy Selenio remains at €400/MT

The by-products remain expensive and really very very difficult to find.
