Rice Market Report

Italy: After a month where there has been no noticeable change, since last week the Indica paddy is officially at €370/MT but despite this increase the farmers are not selling. Some rice mills are trying to offer €380/MT but interest remains low. Farmers want to wait and reach €400/MT. The paddy round grains have decreased between €10/MT and € 20/TM depending on the variety. The long A ones also went down a bit by approx. €10/MT.

Regarding the new harvest, all fields should be sown by the end of the week. However, to obtain more precise figures it will be necessary to wait a few more weeks.
