Rice Market Report

Italy: The ROUND grain paddy is still the most wanted variety. There is only 20% left. Rumour has it, that a big rice mill has paid € 450.-/MT this week for CENTAURO. If this is confirmed and other mills also pay this price we can expect an increase for the SELENIO.

The CARNAROLI is very easy to find, which has resulted in a small price reduction. ARBORIO instead, is very difficult to find because there is little left.

There is hardly any ROMA left. However, as Turkey dose not buy BALDO recently and as the rice mills can use Baldo instated of Roma, the price for those two varieties is stable.

INDICA paddy is still officially at € 350.-/MT, although at this price farmers are not willing to sell. Rumour has it, that somebody has bought at € 370.-/MT.
