

Rice Market Report

Italy: There is no availability of round paddy. The rice mills are buying it from each other.

Officially on the price lists of the markets this week of Novara and Vercelli only the paddies Baldo, Arborio and Carnaroli are still listed, for all the others they have indicated N.Q. (not rated).

An update of the surface forecast sown with rice for 2021 compared to the previous years has been released. In comparison with 2020:

- -13.87% round rice
- -25.25% medium rice
- + 3.02% long A rice
- + 18.08% long B rice

Most rice mills will close between 3-4 weeks this year in August, so it will be difficult to have any further information before they reopen at the end of August. I would therefore like to take this opportunity to wish you all happy holidays and a wonderful summer!
