## Rice Market Report

**Italy:** At the Vercelli market on Tuesday, Omega and Araldo paddy (round-grain rice) increased by €50/mt to reach €600/mt.

There was a decrease of €50/mt for Arborio paddy (€900/mt) and Carnaroli type paddy (€950/mt).

It is always difficult to provide mill prices, depending on the quantities sought, whether the rice mills have the paddy in house or whether they must search and buy it at the market, and, of course, the yield.

Regarding the new harvest, 90% has been sown today; only the latecomers and those who had to replant remain. For the moment, it's looking good, but we're only at the beginning, so it's far too early to know what the results will be like in September.
